16	(2) "Total estimated economic impact" means the direct annual
17	economic impact of a rule on all regulated persons after the rule
18	is fully implemented under subsection (g).
19	(b) The ombudsman:
20	(1) shall review a proposed rule that:

The agency may use actual or forecasted data and may consider the actual and anticipated effects of inflation and deflation. The agency shall describe any assumptions made and any data used in determining the total estimated economic impact of a rule under this section.

An agency shall provide the administrative rules oversight committee legislative council in an electronic format under IC 5-14-6 with any analysis, data, and description of assumptions submitted to the office of management and budget under this section or section 40 of this chapter at the same time the agency submits the information to the office of management and budget. 13	rule on small businesses;
14	(5) a requirement in IC 13-14-9-3 or IC 13-14-9-4 to publish

(a) This section authorizes a three (3) year pilot program to allow county fiscal bodies of designated counties to carry out a more thorough nonbinding review of the proposed budgets, property tax rates, and property tax levies of all taxing units in those counties. The general assembly finds that, because of the enactment of property tax credits under IC 6-1.1-20.6, there is an even greater need for taxing units to cooperate in the adoption of their budgets, property tax rates, and property tax levies.

- (b) The department of local government finance may establish a pilot program concerning nonbinding review of budgets, property tax rates, and property tax levies as provided in this section. The role of the department of local government finance in the pilot program is to develop the framework for the continuation of a more thorough nonbinding review in all counties without the direct involvement of the department of local government finance.
- (c) For a county to be eligible for designation as a pilot county participating in the pilot program:

1	(1) the county fiscal body must adopt a resolution approving the
2	submission of an application to be designated as a pilot county;
2 3	and
4	(2) the county fiscal body must submit to the department of local
5	government finance before the date specified by the department:
6	(A) an application in the form and containing the information
7	prescribed by the department; and
8	(B) a copy of the resolution adopted under subdivision (1).
9	(d) After reviewing applications submitted under subsection (c), the
10	department of local government finance may designate not more than
11	three (3) counties that submit an application under subsection (c) as
12	pilot counties under this section. In determining which counties are
13	designated as pilot counties, the department of local government
14	finance shall attempt to achieve diversity among designated counties
15	based on:
16	(1) the geographical location of the counties;
17	(2) the population of the counties; and
18	(3) whether the counties are primarily rural or urban.
19	(e) The department of local government finance shall notify each
20	taxing unit in a pilot county of:
21	(1) the designation of the county as a pilot county; and
22	(2) the duties of the taxing unit under this section.
23	(f) The following apply in 2014 and thereafter:

26	and with the county fiscal body:
27	(A) the taxing unit's proposed budgets, property tax rates, and
28	property tax levies for the following calendar year;
29	(B) a statement of whether:

34	controlled project of the taxing unit has been certified and
35	will be on the election ballot;
36	(iii) a referendum tax levy question under IC 20-46-1 has
37	been certified and will be on the election ballot; or
38	(iv) the taxing unit anticipates that it will during the
39	following eighteen (18) months either adopt a resolution or
40	ordinance under IC 6-1.1-20 making a preliminary
41	determination to issue bonds or enter into a lease concerning
42	a controlled project of the taxing unit, or adopt a resolution

1	under IC 20-46-1 to place a referendum tax levy question on
2	the election ballot; and
3	(C) any additional information required by the department to
4	prepare the analysis required under subdivision (4).
5	A school corporation providing information to the department of
6	local government finance shall provide the information through
7	the department's interactive and searchable Internet web site
8	containing local government information (the Indiana gateway for
9	governmental units). When formulating the taxing unit's estimated
10	budget, property tax rate, and property tax levy under section 3 of
11	this chapter, the proper officers of the taxing unit shall consider
12	the estimated consequences of the property tax credits under
13	IC 6-1.1-20.6 on the property taxes that will be collected by the
14	taxing unit and the calculation of fund balances.
15	(2) A taxing unit in a pilot county that would otherwise be
16	required to submit its proposed budgets, property tax rates, and

19	submit the information required by subdivision (1) to the
20	department of local government finance.
21	(3) A taxing unit that is located in a pilot county and that is
22	subject to binding review and approval of the taxing unit's
23	budgets, property tax rates, and property tax levies under section
24	20 of this chapter or IC 36-3-6-9:
25	(A) remains subject to binding review and approval under

27	those statutes to the appropriate fiscal body; and
28	(B) must also submit the information required by subdivision
29	(1) to the department of local government finance.
30	(4) The department shall prepare an analysis of the proposed
31	budgets, property tax rates, and property tax levies submitted by
32	taxing units in each pilot county. The department of local
33	government finance may establish appropriate procedures and
34	conduct the appropriate analysis that meets the department's
35	requirements for the review of a unit's budget under this chapter.
36	The analysis prepared by the department must include at least the
37	following:
38	(A) The estimated total property tax rate for each taxing
39	district in the pilot county.
40	(B) The estimated total amount of property taxes to be levied
41	in the pilot county.
42	(C) The estimated consequences of the property tax credits

1	under IC 6-1.1-20.6 on:
2	(i) the property tax rates of each taxing unit and taxing
3	district in the pilot county;
4	(ii) the expected total tax rate of each taxing district in the
5	county; and
6	(iii) the property taxes that will be collected by each taxing
7	unit in the pilot county.
8	(5) The department of local government finance shall, before
9	October 2 of each year, provide the analysis prepared under
10	subdivision (4) for a pilot county to the county fiscal body of the
11	pilot county and to the fiscal body of each taxing unit in the pilot
12	county. Upon request by the county fiscal body, representatives
13	of the department of local government finance shall appear before
14	the county fiscal body to review the analysis.
15	(6) The county fiscal body of a pilot county shall, on or before
16	October 15 of each year:
17	(A) review the proposed budgets, property tax rates, and
18	property tax levies of each taxing unit in the pilot county;
19	(B) review the expected total tax rate of each taxing district in
20	the county; and
21	(C) issue a nonbinding recommendation to each taxing unit in
22	the pilot county regarding the taxing unit's proposed budgets,
23	property tax rates, and property tax levies.
24	The review and recommendation required to be carried out under
25	this subdivision may be carried out by the full county fiscal body
26	or by a committee appointed by the county fiscal body for that
27	purpose.
28	(7) A recommendation by a county fiscal body must include a
29	comparison of any increase in a taxing unit's budgets, property tax
30	rates, and property tax levies to:
31	(A) the average increase in Indiana nonfarm personal income
32	for the preceding six (6) calendar years and the average
33	increase in nonfarm personal income for the county for the
34	preceding six (6) calendar years; and
35	(B) increases in the budgets, property tax rates, and property
36	tax levies of other taxing units in the county.
37	(8) After review under this section, a taxing unit must adopt its
38	budget, property tax rates, and property tax levies by the date
39	required under section 5 of this chapter.
40	(g) The county fiscal body of a pilot county may, before July 1 of a
41	year, adopt a resolution discontinuing the county's participation in the

pilot program. If a county fiscal body adopts such a resolution:

- (1) the county fiscal body shall certify a copy of the resolution to the department of local government finance;
- (2) the county's participation in the pilot program is terminated; and
- (3) the department of local government finance shall attempt to replace the pilot county with another county that has applied to be designated as a pilot county.
- (h) The department of local government finance shall, before November 1, 2014, and each year thereafter, report to the commission on state tax and financing policy interim study committee on fiscal policy established by IC 2-5-1.3-4 in an electronic format under IC 5-14-6 concerning the pilot program and whether the nonbinding review under the pilot program is fostering cooperation among taxing units in the adoption of their budgets, property tax rates, and property tax levies.
  - (i) This section expires January 1, 2017.
